INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the enclosed Forms PTO-1449. Under 35 U.S.C. § 120, this application relies on the earlier filing date of application serial number 09/859,105, which was filed on May 16, 2001. All but one of the cited references are either U.S. patents or were submitted to the Office in the prior application; therefore, copies of these references are not provided for this application. A copy of the one remaining cited publication is enclosed. A copy of a search report from a corresponding international application is also enclosed.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is material to patentability.

This statement is being filed after a first Office action on the merits, but before the mailing of a final Office action or a Notice of Allowance. A check for \$180.00 in payment of the late submission fee set forth in 37 C.F.R. § 1.17(p) is enclosed.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: June 30, 2005
